**A. INTRODUCTION**

Throughout this Amendment these entities are referred to as follows:

City of Saint Michael	=	City
Alaska Native Tribal Health Consortium	=	ANTHC
Financial Assistance Sub-Award	=	FSA
Bering Straits Regional Housing Authority	=	BSRHA

On October 16, 2002, the ANTHC, City of Saint Michael, and Bering Straits Regional Housing Authority executed an FSA authorized by the Denali Commission to renovate the city's existing washeteria.

**B. AMENDMENT TO REVISE PROJECT BUDGET AND FUNDING SOURCES**

The project was originally awarded \$238,360 of Denali Commission funds, matched by \$25,000 of BSRHA funds.

This Amendment will add \$19,124 of Denali Commission funds. An ANTHC project operations expense will not be deducted from these funds. The additional funds will remove and replace areas of water-damaged flooring and subflooring, and any interior walls consequently involved. The water damage was discovered upon beginning the washeteria's original scope of work, and until then could not have been otherwise detected.

The additional funds are derived from Denali Commission Financial Assistance Award Project No. 0068-DC-2002-I21, Amendment No. 3, dated April 2003.

The total award therefore equals \$282,484.

**C. PROJECT ADMINISTRATION**

There are no changes to the project management methodology.

This document constitutes Amendment No. 1 to the FSA to renovate the existing washeteria in the City of Saint Michael, Alaska. All other sections of the original FSA remain in effect as agreed upon and executed.
